

PCI DSS Documentation Templates and Toolkit

If you don't already have it, you will need to get a copy of the PCI DSS, as this is what you are complying with. Accept the PCI DSS license agreement and download the PCI DSS v2 directly from:

https://www.pcisecuritystandards.org/security_standards/pcidss_agreement.php

www.itgovernance.co.uk/pci_dss.aspx is a one-stop-shop for information and resources relating to PCI DSS compliance.

Note: copyright in the following documents (all of which are contained in the Third Party Documents folder) is owned by the originators of the documents themselves (as indicated in parentheses below and in the documents themselves) and IT Governance Ltd has included them in this toolkit free of charge and purely as a service to users. IT Governance Ltd is making no charge at all for including these documents within this toolkit and simultaneously accepts no liability whatsoever for their contents. All these documents are freely available on the Internet and from the PCI SSC website and, while they are currently considered to be current and up to date, IT Governance Ltd makes no undertaking whatsoever in terms of their contents or maintaining their currency.
